

**2013 ZINFANDEL**  
**WARREN RANCH VINEYARD**  
**ALEXANDER VALLEY**

**Jamie's (Peterson) Vintaged View**

A few years ago our longtime friend and grapegrower, Paul Bernier and his son, Zuriel, leased a property in the heart of the Alexander Valley to expand their vegetable and fruit growing operation for local restaurants and farmer's markets. It came with a two-acre old-vine Zinfandel block that had been neglected, with unpruned vines in one corner and a colony of rambunctious ground squirrels in the other. The Berniers worked their vineyard magic and performed time-honored farming methods to bring the vineyard back to health.

In 2013, we were able to bring in a small harvest of classic old vine Zin grapes from this vineyard. Though a different take on the varietal than our Dry Creek Valley bottling, with each vintage the wine has shown more promise and true Alexander Valley *terrior*.

**Tasting Notes**

Juicy aromas of fresh squeezed, vine-ripened blackberry juice mingle with traces of coffee, oak and creamy mocha, enticing that first sip. Bright, fresh flavors of blackberry, dark plum, black raspberry and a whisper of dried strawberry fuse with pepper and delicious oak notes of mocha and vanilla, creating a luscious treat. Lively acidity offers balance, and allows this wine to be a perfect dining companion.

Enjoy the special wine with pork tenderloin drizzled with a balsamic berry glaze, or creamy pasta with chicken sausage and greens.
