

PETERSON

SHAMELESS 7th Edition Red Wine

Jamie's (Peterson) Vintaged View

At Peterson Winery, we often say that we make wines from the same vineyards year after year, but we don't try and make the same wines from every year. We appreciate and embrace the differences created by Mother Nature with each vintage, and try to capture the vintage as well as the vineyard in each wine. The other variable each vintage is the size of the crop from each of the blocks or vineyards we purchase grapes from or we grow. Rarely do we get the exact tonnage we planned for. Smaller than anticipated yields alternate with much larger than expected tonnage. Differing not only with each year, but also with each grape source.

Given the number of different wines we produce and our love of blends, we often have extra barrels of wine left over after the final blend is determined. In the past, we've sold off this surplus wine to other wineries looking for additional wine for their blends. Following the great reception for the first six Shameless Red bottlings, Jamie crafted this "Seventh Edition" blend using our surplus Carignane, Merlot, Zinfandel, Cabernet Sauvignon, Syrah, Petite Sirah, etc. It continues our tradition of providing a delicious wine at a "shamelessly" low price. Cheers!

Tasting Notes

Breathe in the fruit-driven aromas of ripe mixed black and red berries mingled with black plum and hints of leather and toasty oak. The silken entry greets the palate, exposing layers of luscious fruit flavors—dark cherry, black raspberry and vine-ripened strawberry—blended with traces of creamy vanillin oak and just a touch of pomegranate and baking spices that appear near the lingering finish. The supple tannins, gentle oak notes and creamy mouthfeel make for a balanced, easy sipping wine.

A great wine to serve with almost anything from a charcuterie platter or spicy chicken wings to spaghetti and meatballs or chili Colorado burritos.
