

### Jamie's (Peterson) Vintaged View & Vineyard Notes

This is our most terroir-driven wine—a Peterson wine that shouts out its origins with every sip. Our Bradford Mountain vineyards produce wine grapes with a unique and very recognizable minerality, and that expression of place reaches its apex in the Bradford Mountain Vineyard Cabernet Sauvignon.

The intensity of the Cabernet Sauvignon is complemented with exotic spice from Cabernet Franc, wonderful aromatics from Petit Verdot, and plush fruit qualities from Merlot and Malbec to create a wine that offers layer upon layer of flavors and aromas. Though big and bold, this is still a wine with balance and finesse. It is not one of those over-oaked and over-extracted creations that are currently the rage with some wine critics yet have no place on the table, nor the potential for successful bottle aging. This is a wine that will definitely benefit from both bottle age and/or decanting to allow the wine to open and reveal all of its depth and complexity.

### Technical Data:

Composition: 100% Bradford Mountain Estate Vineyard

10 cases (1.5L)

Release Date: March 2013

### 2010 CABERNET SAUVIGNON BRADFORD MOUNTAIN VINEYARD DRY CREEK VALLEY

### Tasting Notes

The rich terroir of Bradford Mountain imparts its distinctive influence throughout the wine. Both nose and palate reflect the mineral essence of the soil and share black currant, dark cherry, fine herbs and spicy forest floor. The plush yet spicy texture reveals the integration of fine-grained oak, supple tannins and mountain fruit.

Still youthful, this Cab will benefit from decanting an hour or two before enjoying, or if you are patient, give it a few more years of bottle aging to truly experience the beauty of this wine.
